June 8, 2010

Greetings, Freedom Lovers:

I'm sorry I've been so long getting the minutes out. I'm enclosing/attaching a copy of the unapproved minutes. If you were at the meeting, please feel free to hit me up with any changes you feel I need to make.

The main purpose of the May meeting was to install three officers, a skeleton crew, really, to get us going. There are many more positions to be filled.

I passed out printouts of the table of contents of our by-laws document, with *Article I: Organization Identification* printed after the contents. I will do this at each meeting, one article at a time, until everyone has had a chance to read each article. We can't abide by the by-laws, or vote to change them, until we understand them. They can also be accessed on our website.

I have the following sizes and quantities of t-shirts: Small - none; Medium - 6; Large - 8; XLarge - 2; XXLarge - 4. The shirts are handsome and comfortable. Let me know if you want me to mail you one. You send me \$20.00, and I'll send you a shirt.

We're going live with the website this week, if I can just get the time to do a tiny bit more work on it. To come: a membership signup form online with credit card/paypal accepted, and a forum. The webmaster and I both have full time jobs, so the work has to get done around everything else.

The bike show at Drifters HDRC in Rainbow City on June 19th should be a good time. Come on up, and show up at our meeting at 2 PM. We'd love to see you.

Thanks!

Kris Cook
Secretary
